

## EU Declaration of Conformity (DOC)

|                    |                             |
|--------------------|-----------------------------|
| Company name:      | Mid Ocean (Brands) BV (MOB) |
| Postal address:    | PO BOX 644                  |
| Postcode and City: | 6710 BP Ede (NL)            |
| Telephone number:  | 0031 (0)342 426992          |
| E-mail address:    | DOC@reclamond.com           |

**We declare that DOC issued under our sole responsibility and belongs to the following product:**

|                    |                                                |
|--------------------|------------------------------------------------|
| Item number:       | MO9309                                         |
| Description:       | Charging pad with 2 port 2.0 hubs and USB port |
| Classification:    | WPT DC 5V                                      |
| Country of Origin: | China                                          |
| Batch:             | PO41-107136                                    |

**Object of the declaration** (identification of apparatus allowing traceability; it may include a colour image of sufficient clarity where necessary for the identification of the apparatus):

MOB/MO9309 Input: DC 9V ≐ 3A 5V ≐ 2A  
PO BOX644 USB Output 1/2: DC 5V ≐ 2A  
6710BP(NL) Frequency range: 110-205kHz  
Made in China Wireless Output power: 15W Max  
PO:41-XXXXXX www.momanual.com

**The object of the declaration described above is in conformity with the relevant Union harmonization legislation: RED Directive 2014/53/EU**

|                                                 |
|-------------------------------------------------|
| EMC Directive 2014/30/EU                        |
| Low Voltage Directive 2014/35/EU                |
| RoHS Directive 2011/65/EU                       |
| General Product Safety Regulation (EU) 2023/988 |

**The following harmonized standards and technical specifications have been applied:**

|                                                                                                                                                                                        |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Title, date of standard/specification:                                                                                                                                                 |
| Radio: EN 303 417 V1.1.1 (2017-09)                                                                                                                                                     |
