Regulation: (EU)2016/425
CAT.S3 - High protection against sunglare

EN

- Goggles for downhill skiing and snowboarding (S)
- Headform: 1-M
- Minimum temperature of use: -10°C
- Not for driving or road use
- Not for direct observation of the sun
- Not for protection against artificial light sources, e.g. solaris
- Not for protection against mechanical hazards such as impact

Care instruction:

- Be careful when wearing. Please use both hands to remove glasses and not with one hand, otherwise sunglasses are easy to deform.
- The cleaning method should be correct. When dirt and dust appear on the lens, microfibre lens cloth can be used to clean the lens.
- Place the glasses in a proper place. When sunglasses are not in use, try to wrap them with lens cloth and put them in a box for storage. Do not store with hard objects or objects with edges and corners to avoid scratching the lens.
- Keep away from chemicals, and try not to let sunglasses contact perfume, cosmetics and other things containing chemical ingredients, so as to avoid damage to sunglasses, which may lead to fading or deformation of the lens frame, and lens peeling. Once stained, please clean it up in time. In addition, if you sweat a lot, you should wipe it clean in time.

The object of the declaration described above is in conformity with the relevant Union harmonization legislation: PPE EU Regulation 2016/425

PPE EU Regulation 2016/425

General Product Safety Regulation (EU) 2023/988
